Thursday, March 28 @ 6:30 pm

Join us at the library for Tom Detzner's presentation of his 300 mile hike over 31 days on the Colorado Trail with his dog in August 2018. Most of it was over 10,000' with the high point at 13,271'. "It was the adventure of a lifetime; very hard, very high, yet very rewarding as the scenery was spectacular almost the entire time." The CT is called the most scenic long trail in America.
